- It is an Indian classical dance originated in TamilNadu.
- It is a very expressive form of dance
- Many stories are narrated using this dance form.

### **How to use this printable?**

This printable can be used as a matching /visual discrimination activity for toddlers/preschoolers.

Take a printout of mudras pages (2 copies) and laminate it.

Cut out the individual shapes from one copy along its border to make a matching card.

Use Velcro on the main print out sheet and the matching card for your child to match them.
